

# JEEVALAKSHMI V

B. E. Electronics and Communication  
Engineering

## Area of Interest

- Embedded Systems & IoT
- Wireless Communication & Networking
- Machine Learning

## Skills

### Programming:

- C,C++
- Python
- HTML

### Tools:

- PSpice

## Soft Skills

- Adaptive
- Team work
- Active Listener

## Languages Known

- Tamil
- English

## Interest

- Athletics
- Tennikoit
- Travelling

## Objective

Dedicated Electronics and Communication Engineering student seeking opportunities to gain practical experience, continuously develop technical and professional skills, and contribute effectively to organizational goals.

## Educational Qualification

- **2023-2027** - Velammal College of Engineering and Technology, Autonomous, Viraganoor, Madurai- B. E. Electronics and Communication Engineering (8.86 CGPA Up to 4th semester)
- **2022-2023** - St.Mary of leuca Matriculation Higher Secondary School, Madurai HSC-91%
- **2020-2021** - St.Mary of leuca Matriculation Higher Secondary School, Madurai. SSLC-Pass

## Projects Done

- **Smart Parking System** – IoT-based setup using sensors and Blynk app for slot and environment monitoring.
- **Patient Health Monitoring System** – IoT-based device to measure heart rate & SpO2 for healthcare & fitness.
- **Piezoelectric Energy Harvesting System** – Converts vibrations into electrical energy for IoT & smart infrastructure..

## Internship

- R&D Training – Smart Meter Functionality & Communication, Inesh Smart Energy Pvt. Ltd., Chennai (June 2025).
- RISE Internship Program – IoT & Embedded Systems (Remote, June–July 2025).

## Paper Published

- “Lightweight Deep Learning Model for Wireless Capsule Endoscopy Image Classification using SqueezeNet” – International Conference on Visual Analytics and Data Visualization (ICVADV-2025), IEEE

## Workshop

- 6G Communication Networks – NIT Puducherry (2025).
- Empowering IoT – VCET, Madurai (2024).

## Position of responsibility

- Member – Eco-club, VCET, Madurai.
- Member-IETE Forum

## Certifications

- SAP ABAP Platform Fundamentals – Record of Achievement (Feb 2026)
- NPTEL (Elite): Simulation of Communication Systems using Matlab. (Jul-Oct 2025)
- NPTEL (Elite Siver): Sensors and Actuators, IISc Bangalore (Jan-Apr 2025)
- NPTEL (Elite): Machine Learning & Deep Learning – Fundamentals & Applications (Jul-Oct 2024)
- Cyber Security Certification: 40-hour beginner course, TATA Strive & Microsoft (Oct 2024)
- NPTEL (Elite): The Joy of Computing using Python (Jan-Apr 2024).

## Paper Presented

- Presented Personalized Bacterial Contamination Testing Kit, Gojan School of Business & Technology (2024).
- Presented paper on Hololite Floor, Alagappa College of Engg. & Tech. (2024).

## Achievements

- Math Relay: II Place – Department of Mathematics, VCET, Madurai (2024)
- Internal Finalist, Smart India Hackathon (SIH) 2025 – Bacterial Contamination Detection.
- 400m Race: I Place – Zone Level Games & Sports, Dr. M.G.R. Stadium, Madurai (2019–20), Reliance Foundation College Athletics, Coimbatore (2019–20)
- 4×100m Relay: I Place – Zone Level (2019–20, Dr. M.G.R. Stadium, Madurai), II Place – Revenue District (2019–20, Dr. M.G.R. Stadium, Madurai), II Place – Reliance Foundation Athletics (2019–20, Coimbatore), II Place – Zone Level (2018–19, Dr. M.G.R. Stadium, Madurai)
- 80m Hurdles: II Place – State Level (2018–19, Valasaravakkam, Chennai), II Place – Zone Level (2018–19, Dr. M.G.R. Stadium, Madurai), III Place – Zone Level (2019–20, Dr. M.G.R. Stadium, Madurai)
- 600m Race: III Place – Madurai District Junior Athletic Meet, Race Course Stadium (2019)
